"We Have Crossed The Bay, The Sea Lies Before Us"

A Word of Advice

According to the teachers, some of the students have just begun to sit up and take notice of their surroundings. The first semester apparently passed pretty fast and therefore caused a great deal of distress among the student body, which was completely unprepared for the tests which seemingly came from every direction.

Some of the boys on the basketball team may be saying, "Oh, teach can't you make a D out of my 3 F's--Just for trying. Huh!" and the girls may try something like, "Couldn't you please give me just one more A so I'll make the honor roll?"

Well Kids, Good Luck to you all if you use this method, but don't you think it would be much safer to study??

The most precious thing anyone can have is the good will of others. It is something as fragile as an orchid, and as beautiful! As precious as a gold nugget--and as hard to find.

Heres To Our School

F-is for the faculty that has always been so true,
A-is for the air--conditioned rooms where we have English, math and history too.
I-is for the improvements that make our school complete,
R-is for the rules we heed to give the teach' a treat.
V-is for the varnished desks so worn out and scratched,
I-is for the initials that cupid has so wisely matched
E-is every thing about which we complain, but nevertheless-----
W-means wonderful, and thats OUR Dear OL' FHS.

"Seniors Skating Party"

The senior class held a skating party for the entire school Jan. 9. The public was also invited. We had a very good crowd and since everyone enjoyed themselves so much, we have decided to have several more as soon as possible. Our next one will be held February 4. The admission will be the same as always, fifty cents. We hope everyone will try to attend and bring all their friends.

"Crumbs"

'Twas only a crumb, last evening,
in the form of a kindly word,
That I spoke to a weary companion
only he and the dear Lord heard.

'Twas only a pleasant "Good morning,"
to one whose life is dear,
But he understood its meaning,
and knew that I meant to cheer.

'Twas only a crumb at noonday,
in the coin I gave to a child;
But I gave for the sake of Jesus,
and He understood and smiled.

'Twas only a crumb at evening,
when after a tiresome day,
I gave up my seat in the street car
to a woman old and gray.

'Twas only a crumb at nightfall,
when instead of the concert hall,
I went to the house of mourning
to comfort and help them all.

They're only crumbs, but without them
there could not be any bread,
And the bread shall be returned to us,
for so the dear Lord said.
